

# Symposium on Chemical Safety

## 26 & 27 July 2017

Organized by  
**Institut Kimia Malaysia (Perak Branch)**  
in conjunction with  
**Institut Kimia Malaysia 50<sup>th</sup> Anniversary Celebrations**

□ The Symposium on Chemical Safety is aimed to provide participants with the skills and knowledge necessary to assess hazards presented by the use of chemicals in their workplace and to be able to identify the controls required. Speakers from government agencies, chemical industries and institutions of higher learning are invited to share their knowledge and experiences with the participants. This symposium will benefit employers and employees with responsibilities for managing the safe use of chemicals at work and implementing the requirements of current legislation.
