LabAsia is Expanding to Sarawak

LabAsia Borneo booth reservation is now open to all manufacturers & suppliers of laboratory instruments and equipment who wish to meet scientists, lab managers, research & development officers and procurement managers from the chemical industry. In partnership with Malaysian Institute of Chemistry (IKM), LabAsia Borneo will be held in conjunction with the 24th IUPAC International Conference on Chemistry Education (ICCE) 2016. Along with ICCE 2016 which aims to promote sustainable socio-economic transformation through chemistry education, the 6-days event is going to attract close to 1000 local and overseas science educators from all over the world.

Exhibitor Profile

Manufacturers, Exporters, Sole Distributors, Agents, Suppliers for instruments and equipment of:

- Analytical Systems • Calibration Systems • Drug Discovery • Laboratory Consumables • Laboratory Testing • Laboratory Data Systems and Documentation • Material Testing And Characterization • Optical Imaging Systems And Microscopes • Pharmaceutical Testing • Quality Assurance And Quality Control • Research And Development • Scientific Equipment • Test & Measurement

Visitor Profile

Scientists, Lab Managers, Lecturers, Research Officers, Quality Control / Assurance Managers, Analysts, Chemists, Managing Directors, Procurement Managers, from:

- Advanced Materials • Chemicals Processing • Education and Training • Materials Testing & Inspection • Pharmaceutical and Healthcare • Research Laboratories • Universities and Government Agencies

PARTICIPATION DETAILS

Shell Scheme @ RM3,000.00 per booth (min. 9 sqm)

- Constructed rear and dividing wall partition of 2.44m ht in white laminated finish.
- Constructed overhead fascia panels complete with company name and stand number.
- 1 x information counter.
- 2 x folding chairs.
- 2 x fluorescent tube (40W).
- 1 x waste paper basket
- 1 x power point (13Amp)

The price quoted is subject to an additional Goods and Services Tax (GST) at the prevailing rate of 6%

LabAsia

LabAsia, held in Kuala Lumpur biennially for the past 10 years, is the ASEAN leading scientific instrument and laboratory equipment exhibition, LabAsia has become an essential platform for exhibitors to showcase the latest products and technologies to the buyers from laboratory and scientific industries. LabAsia is now the bridge to Malaysia and Asia, and the rest of the world, opens up opportunities for market penetration and business expansion. In year 2015, LabAsia has attracted more than 6,000 trade visitors from 36 countries and about USD 4,000,000 worth of potential sales generated.

About ICCE

ICCE is a biennial chemistry education conference of the International Union of Pure and Applied Chemistry (IUPAC) that is being held all over the world. The conference was held in Taiwan, Italy and Canada for the past editions. This year, it will cover thematic sessions and symposiums include:

- Teaching and learning of chemistry at the secondary level • Pedagogy and other teaching and learning methodology and techniques • Chemistry/science teacher education including pre & post • New technologies and innovations in chemistry education including web-based, multimedia and e-learning • Laboratory classes in chemistry education including micro-scale chemistry • Critical analysis of chemistry curricula & textbooks • Tertiary chemistry education & lifelong learning • Research in Chemistry Education • Ethics and professional codes of practice in chemistry • Green and environmental chemistry education • Public awareness and appreciation of chemistry • Career and professional development in chemistry • International Chemistry Olympiad (IChO) • Young Ambassadors of Chemistry (YAC) • Microscale Laboratory Chemistry • Green Chemistry Education and Practices • Chemical Safety and Security (CSS) including multiple uses of chemicals • Technical and Vocational Education and Training (TVET) in Chemistry • Chemical Weapons Convention (CWC).

For booth reservation, please contact

Mr Gary Chai at +603-8023 0820 or email enquiry@ecmi.com.my

Organised by:
ECMI ITE Asia Sdn Bhd

Malaysian Institute of Chemistry

Institut Kimia Malaysia
