Kuala Lumpur Convention Centre (KLCC), Malaysia

DIGITAL SOLUTION

THE ALL-NEW LABASIA DIGITAL SOLUTION

A GLOBAL MARKETING TOOL FOR YOUR BRAND

The new digital platform functions as an alternative to act as a business continuity plan to prepare the local & international exhibitors, buyers from various industry sectors to implement digital solutions for their businesses and participation in LABASIA

THE NEW DIGITAL SOLUTIONS WILL NOW COVER:

A

Virtual Exhibition

B

Digital Showcase

C

Email Lead-Generation

D

Webinar

A. VIRTUAL EXHIBITION

LabAsia are extremely significant trade shows that many exhibitors and visitors look forward to, but like many aspects of our way of life, we have had to make certain changes and implementing new elements within.

As such, we are proud to launch the Virtual Exhibition, aimed to keep the Malaysian Laboratory Industry continuously connected with our prestigious brand while assisting industry players and manufacturers to collaborate, share best practices and adopt a cost-effective methods in growing their businesses.

WHY EXHIBIT IN VIRTUAL

Easy Access

Participating a Virtual Exhibition eliminate the geographical, time and spatial constraints of physical events. Exhibitors can reach a global audience with utmost ease and convenience and keep the event running for days on end.

Lead Tracking & Follow Up

Once the event is over, detailed event reports can be generated. The insights will help you to improve your performance in the future and reveal the leads that you have managed to generate.

Here are some analytics you'll be able to acquire:

- Total number of visitors in Virtual only
- Buyer's Contact (Only for visitors who enter the booth and submit their business card)

A. VIRTUAL EXHIBITION

WHY EXHIBIT IN VIRTUAL?

Lead Generation

Virtual Exhibition are highly content, value-driven and provide vast opportunities for attendees to learn about the products, services and technology on display. All Virtual Exhibitors will be offered an enriched platform, filled with key features including business matching, branded and interactive booths, live chat, downloadable content and networking lounges to attract global audience and generate new sales lead.

Mobile Friendly

Enjoy maximum experience on both Android and iOS mobile devices. Exhibitors and visitors can easily access & engage with each other in the Virtual Exhibition, Conference & Seminar Content, Speakers and Sponsors.

B. DIGITAL PRODUCT SHOWCASE

LABASIA is taking your business towards digitisation with the digital platform module designed exclusively to connect the exhibitors and buyers outside of exhibition venue. Buyers can now easily browse and discover products & services they would like to buy!

Exhibitors are now able to manually utilise the digital platform by uploading pictures of their products & services, and the information about, of the items provided.

KEY FEATURES OF THE NEW DIGITAL PLATFORM

-  Connect with potential buyers and start collecting leads before the event launches
-  Pre-schedule meetings with global buyers to be held during the event
-  Provide full details of your product, technology or service
-  Search by industry sector, exhibitor category, exhibitor country or company name
-  Reaching out to an average of more than 10,000 trade visitors* each month

LabAsia 2021

Contrary to popular belief, Lorem Ipsum is not simply random text. It has roots in a piece of classical Latin literature from 45 BC, making it over 2000 years old. Richard McClintock, a Latin professor at Hampden-Sydney College in Virginia, looked up one of the more obscure Latin words, consectetur, from a Lorem Ipsum passage, and going through the cites of the word in classical literature, discovered the undoubtable source. Lorem Ipsum comes from sections 1.10.32
